**ACTING CHAIRMAN
JACK BRILL**

We've heard a lot in recent years about this or that election being the most important election in our lifetimes. But this year, this really may be the most important midterm election ever. We won some huge victories, sweeping the School Board races and helping Senator Joe Gruters win with 86% of the Republican vote. But there is more work to do. Now we have to maintain full Republican control of the Sarasota County Commission by electing Mark

Smith in District 2 and maintaining Republican control of the Florida House by re-electing Fiona McFarland in District 73. And we absolutely must re-elect Governor Ron DeSantis and the Florida Cabinet while returning Senator Marco Rubio to the U.S. Senate to ensure Republicans can win control and stop Joe Biden. A lot is riding on this. Remember to vote on Nov. 8, or by early voting or by mail. We must all stand together for traditional American greatness and against the forces of destruction — by voting!
