<p>No. 4 Constitutional Amendment Article I, New Section</p>	<p>Alachua County Charter Amendment</p>
<p>Amendment to Limit Government Interference with Abortion</p> <p>No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.</p> <p>The proposed amendment would result in significantly more abortions and fewer live births per year in Florida. The increase in abortions could be even greater if the amendment invalidates laws requiring parental consent before minors undergo abortions and those ensuring only licensed physicians perform abortions. There is also uncertainty about whether the amendment will require the state to subsidize abortions with public funds. Litigation to resolve those and other uncertainties will result in additional costs to the state government and state courts that will negatively impact the state budget. An increase in abortions may negatively affect the growth of state and local revenues over time. Because the fiscal impact of increased abortions on state and local revenues and costs cannot be estimated with precision, the total impact of the proposed amendment is indeterminate. THE FINANCIAL IMPACT OF THIS AMENDMENT CANNOT BE DETERMINED DUE TO AMBIGUITIES AND UNCERTAINTIES SURROUNDING THE AMENDMENT'S IMPACT.</p> <p><input type="radio"/> Yes <input checked="" type="radio"/> No</p>	<p>Amending the County Charter to Provide for County Commissioner Elections on an At Large Basis</p> <p>Shall the five members of the board of county commissioners of Alachua County, Florida, be elected by all electors within the county at large?</p> <p><input checked="" type="radio"/> Yes <input type="radio"/> No</p> <p>School District Referendum</p> <p>Renewal of the Existing One Mill Ad Valorem Tax for School District Operating Expenses</p> <p>Shall the Alachua County School District's existing one mill ad valorem tax be renewed, beginning July 1, 2025 and ending four years later on June 30, 2029, for necessary operating expenses to fund school nurses; music, art and drama programs; school library programs; school counseling programs; band and chorus programs; academic magnets; career technical programs; and to update classroom technology, with oversight by an independent citizens' committee?</p> <p><input type="radio"/> Yes <input checked="" type="radio"/> No</p>
